

August 2023

Dear Jackson Street School families,

Welcome to the 2023/2024 school year! Did you know our Parent Teacher Organization (PTO) funds yearly field trips and supplements our school's supply budget so that families are not hit with any unexpected costs throughout the school year? Field trips are back on the calendar (yay!) and the PTO is ready to help fund all of the adventures that our staff is planning as well as unexpected classroom needs.

At the beginning of each year we ask families for a one time donation to cover the (average) cost of all of the field trips and guest artists for the coming school year.

Like last year, we reserve the right to use these funds to also support classrooms with any unexpected supplies they may need. We realize making a donation may not be possible for you during this time, please know we are here to support you. However, if you are in a position to give, we would be grateful for your donation, large or small!

**Please consider donating \$35/student by Friday, September 29th to help support learning for all students this year. All donations are tax deductible.**

Best wishes for a healthy and vibrant school year from the JSS PTO!
